Private equity job openings

Firm	Position	Location	Job description	Contact details
Park Hill Private Equity	Project Management Principal	New York	The hire will lead the origination, due diligence and fundraising/execution of private equity commingled funds, co-investments and direct equity investments for U.S.-based private equity and credit managers; and conduct due diligence on and underwrite potential managers and mandates. Also, he or she will prepare marketing materials as well as coordinate road shows and address and complete investor due diligence requests. Candidates should have senior vice president and/or principal-level equivalent experience with a minimum of 8 years in total. Also, he or she should have experience in managing private equity fundraising processes.	https://bit.ly/2DU8GAB
Partners Group	Vice President	New York	Responsibilities include leading investments in all respects, including the following specific tasks: applying critical thinking and judgment in prioritizing investment opportunities; managing and training junior resources; and running all aspects of the underwriting process including the coordination of internal and external stakeholders and advisors. Candidates should have a bachelor's or MBA degree from a top college or university as well as five to eight years of relevant work experience in credit or leveraged finance, with a focus on managing all aspects of the deal process.	https://bit.ly/2MLMIoK
Memorial Sloan Kettering	Investment Associate	New York	Duties include researching managers and strategies; monitoring existing investments and developing analytical insights on the portfolio; assessing the performance of all managers and funds; preparing and delivering a variety of reports (both quantitative and qualitative); evaluating investment opportunities by sector, stage, and geography and presenting research; and tracking prospective managers and industry data across strategies and geographies. Candidates should have a minimum of four years of proven professional achievement in an area relevant to investments and an exceptional academic track record. A bachelor's degree is required; a master's degree and/or CFA is preferred.	https://bit.ly/2D9uGs5
Great Point Partners	Associate	Greenwich, Connecticut	Associates complete financial analyses, run financial models, make customer reference checks and carry out competitive analyses. They are typically involved in closing one to three investments per year and work within a team of three to four investment professionals. Additional responsibilities include supporting Great Point's portfolio companies, completing tuck-in acquisitions and participating at board meetings. The associate position is a three-year commitment. Candidates should have two to three years of investment banking, management consulting or investment management experience. He or she should have a strong record of academic achievement in college, typically graduating with academic honors.	https://indeedhi.re/2Gm86zL
Cambridge Associates	Managing Director, CIO of Pension Investments	Boston	The hire will work with clients to develop appropriate financial and investment goals, investment policies, risk management frameworks, risk budgets, de-risking plans as appropriate and investment manager structures. He or she will conduct due diligence on investment opportunities; select or recommend appropriate managers for investments; and evaluate performance of individual managers and total portfolios. They will interact directly with the pension committees, finance executives and chief investment officers of plan sponsors. A BA/BS is required; an MBA or CFA is strongly preferred. Candidates should have a minimum of 10 years of investment experience.	https://bit.ly/2Sfwrh2
CIM Group	Investment Associate	Los Angeles	He or she will support the lead portfolio oversight for one or more CIM investment funds. CIMs portfolio oversight function leads coordinated efforts among internal teams to enhance portfolio performance, guide internal and external communications and serve as the main point of contact for product-specific fundraising initiatives. Candidates should have one to three years' experience in real estate or investment banking or a related field; an MBA is preferred. He or she should have demonstrated experience with financial modeling.	https://bit.ly/2CQR6TE
Macquarie	Senior Associate	New York	The hire will identify and execute M&A; advise portfolio company management in developing business plans and strategy; identify and deliver operational and financial improvements; and actively participate in board discussions. He or she will focus primarily on energy infrastructure investments, comprised of utility, conventional and renewable power, midstream and downstream infrastructure. Candidates must have four to six years of experience in private equity, corporate development or investment banking, including sector experience in energy infrastructure.	https://bit.ly/2CQR6TE
Tritium Partners	Vice President	Austin	Responsibilities will include all aspects of private equity investing including sourcing and evaluating new investment opportunities, negotiating deal terms, performing due diligence, and providing ongoing support to portfolio companies. Qualified candidates will have i) a minimum of two years of direct-investing experience in private equity, ii) at least two years of investment banking or management consulting experience, and iii) a degree from a top-tier undergraduate program and preferably an MBA from a leading business school.	https://bit.ly/2RqIclp
Morgan Stanley	Vice President	Los Angeles	The hire will work with regional and international clients on a wide range of complex transactions including acquisitions, divestitures, mergers, joint ventures, corporate restructurings, shareholder relations, recapitalizations, demergers, leveraged buyouts and defenses against unsolicited takeover attempts, strategic advisory assignments and executions of public and private capital markets transactions. Candidates should have a bachelor's degree. An MBA, CA and/or CFA designation would be an asset.	https://bit.ly/2RFe2Li
Wind Point Partners	PE Associate	Chicago	He or she will take an active role in researching and evaluating new investment opportunities and work with potential and existing executives executing new deals and working with portfolio companies. Candidates typically have two to four years of investment banking, consulting or private equity experience and demonstrate resourcefulness, quantitative and analytical skills, the ability to work independently and solid interpersonal skills.	https://bit.ly/2CxHwjQ
Robert W. Baird	Investment Banking Associate	Tysons Corner, Virginia	The hire will provide execution support for public equity offerings, mergers and acquisitions and other financial advisory services for clients across a number of sectors. Also, he or she will lead the preparation of company valuations, financial models, company marketing documents and client presentations in addition to performing research and various analyses in support of new business generation. Candidates must have a year of work experience in a financial or quantitative role. Experience working for a top-tier investment bank is preferred.	https://bit.ly/2U4L5F9
